Macquarie Valley Funerals and Monuments are the only local member of the Monumental Masonry Association of NSW. Our experienced and friendly team can assist with all your Monumental Masonry requirements.

Whether it's designing new Headstones and Monuments to your specifications in memory of your loved one, re-assembly and repointing of existing monuments or assistance with the Restoration and Repair of deteriorating Monuments, Headstones and updating inscriptions we would be happy to help.

Our staff can assist you with creating and fitting assorted plaques, ceramic photos and beautiful glass plaques and headstones, as you will see in the examples shown we have access to a wonderful range of products for your monumental needs.

We have some examples of Monumental work we have carried out in the past. It is just a small sample of our works completed but we hope it gives you some ideas for creating your own monument. Use it as a reference tool to create your monument or take all the hard choices out and use the ideas we have pictured.

There is a wide range of choice of fonts, images, pictures etc. you can add or change for your own monument, please ask if you have something in mind.

We hope this makes your own choices easier and please remember, our monumental team is here to help however we can!
